To: All Day-Brite|Capri|Omega Customers

As a result of further increases in material, labor, and transportation costs, Day-Brite|Capri|Omega is announcing a general price increase for all lighting products in the range of 5-7% effective January 29, 2007.

Major ballast manufacturers have announced ballast price increases. The last six months aluminum LME Index increased 13%, zinc for galvanized metal parts increased 40%, nickel (used in electronics) LME Index increased 60%, and corrugated packaging increased 17%.

Minimum increases by product line will be as follows:

<u>Product Line</u>	<u>% Increase</u>
HID	
- Highbays and lowbays	10%
- All other HID	8%
Fluorescent	5%
Capri products	5%
Omega	8%
Electro/Connect	10%
Poles	8%
Emergency/Exits	5%
Vandal	10%

Orders entered by January 29, 2007 for immediate release will be honored at current prices. Orders entered after January 29, 2007 will be at increased prices as noted above. Some cataloged products may be subject to greater increases. Effective immediately, quotations for projects with expected release dates after January 29, 2007 will reflect the new increased prices.

We appreciate your continued support of Day-Brite Capri Omega.

Regards,

R.M. (Bob) Carswell III
