As a result of continued increases in material, energy related costs, transportation costs and steel costs, Day-Brite Capri Omega is announcing a general price increase for all lighting products in the range of 5-10% effective August 1, 2008.

Orders entered by August 1, 2008 for immediate release will be honored at current prices.

Orders entered after August 1, 2008 will be invoiced at increased prices as noted above.

Effective immediately, quotations for projects with expected release dates after August 1, 2008 will reflect the new increased prices.

We appreciate your continued support of Day-Brite Capri Omega.
