June 25, 2008

To: All Progress Lighting Customers

Please be advised that Progress Lighting will be revising product prices effective October 1, 2008. This mid year increase is necessary to offset the rapidly rising cost of materials and transportation.

Increases will vary by product with overall increases averaging between 9% and 12%, with some lower and some higher.

New Price sheets will be printed, published and distributed prior to September 1, 2008.

Thank you for your business and for supporting Progress Lighting.

Robert Sale  
Vice President, Sales  
Progress Lighting

HUBBELL LIGHTING, INC.
