

May 2016

Dear Supplier,

OSRAM continues towards the planned legal separation of its General Lighting Lamps Business (LEDVANCE) from July 1<sup>st</sup>, 2016 onwards. With any endeavor of this magnitude there are a multitude of aspects which need to be taken into consideration and actions which need to be taken to ensure a full operation of the two companies. Priority is to continue serving our customers from day one of the separation and onwards. Your support is needed to accomplish this.

We have made significant progress since our initial communication in March 2016 which we would like to share with you.

To streamline the information flow, we have setup a secure file webpage that will enable you to access up-to-date information regarding the separation. The information will help you to prepare for the separation effective July 1<sup>st</sup>, 2016 and avoid or minimize any business disruptions. The hyperlink and the login data will be provided to you in a separate document.

The information is structured by regions to make it easy for accessing and reviewing information which is most important to you. Remember that we will update this site with new information as soon as it is available. Therefore please regularly check for new updates. With this communication we also provide a step-by-step instruction for the file webpage.

If you have a question about this letter or provided information on our secure file webpage, please contact us at any time.

Kind regards,

Ulrike Salb
